Preface

It is impossible to compile a genealogy without the help of many kind and generous people. This genealogy of one branch of the Parker name is no exception. The list of those who have given of their time and energy is long and it is not possible to name everyone who has contributed. I thank all of these who have furnished information.

Some who merit special notice and more or less in the order in which this account was accumulated, over a period of approximately 40 years, are Dorothy Ann Parker (Mrs. N. R. Shouse), Lura Shouse (Mrs. Foster O. Trimble), Wilma Ramage (Mrs. John L. Buck) of Bloomfield, Missouri.

Recently, the line was extended back three generations due to the help of Mrs. Frances M. Roye, a member of the Halifax County, North Carolina Genealogical Society and volunteer researcher of Jackson, NC who donated her time; Dr. William M. Mann, Jr., of Enfield, NC, a descendant of another Parker line of Halifax County who offered much help and encouragement; and Mrs. Raymond (Parker) Fouts, of Florida, a descendant of still another Parker line in North Carolina, who has an incredible insight and understanding of the Parkers of North Carolina.

And most recently, the generous offer to prepare an index by Mr. and Mrs. J. D. Koetting, 2789 Manitou Springs Drive, SE, Rio Rancho, New Mexico 87124.

Some who look at this are going to wonder why so many documents are quoted, making the account much longer than necessary. This is intentional because of the availability of these records and the insight they give to educational levels of these families, the household items and tools that were used on the farms and plantations, and the mode of transportation. For those who merely want to see if this might be their Parker line I ask your indulgence to skip over the abstracts of all these documents.

Parker Family of Bertie and adjoining counties, including Halifax, North Carolina and later Livingston County, Kentucky

The surname Parker, according to Henry Harrison 1/ originated in Middle English, that is 12th to 15th century. The name had the meaning of park-keeper, gamekeeper, custodian of the park, etc., thus parker. Additional information on the origin of the name appears in Patrick Woulfe's *Irish Names and Surnames* 2/; and Rev. Henry Barber's *British Family Names* 3/ gives the origin of the name as Old Norse (Icelandic).

This Parker family account started with the excellent Bible record of Jonathan Hobson Parker which is still in the possession of descendants and a photo copy of which is in the possession of the writer. The effort to trace the ancestry of Jonathan Hobson Parker has been difficult. Originally, all that was known was that the above mentioned Bible record revealed among other things that Jonathan Hobson Parker had a son-in-law Richard Parker (born May, 1818) who was the son of a Thomas Parker. The other significant fact shown in the Bible was that Jonathan Hobson Parker and his wife Dorothy Burgess named their first daughter Elizabeth Eleanor Parker. In tracing ancestry of Dorothy Burgess it was found that her mother was Eleanor (Hardin) Burgess. There seemed to be a good possibility that the mother of Jonathan Hobson Parker was named Elizabeth. This was recently proven with the discovery by Mrs. Frances M. Roye, a member and Vice President of the Halifax County, North Carolina Genealogical Society, of the last will in Halifax County, NC, of Elizabeth Parker, an abstract of which is shown herein. Without the research and expertise of Mrs. Roye on both the Parker and King families the North Carolina portion of this genealogy would not exist. All descendants of this Parker line owe her a debt of thanks.

The next question, of course, was who was the husband of the widow Elizabeth Parker? Her sons named in her will were Thomas, Richard, Michael and Jonathan. The northeast part of North Carolina is saturated with Parkers. In the 1800 census of North Carolina fifty Parker families had a son or sons under 10 years of age, the same category as Jonathan Hobson Parker who was born Feb. 14, 1792. There are numerous Parker men with wives named Elizabeth. The problem was to determine to which one this Elizabeth Parker belonged.

After eliminating every Parker wife named Elizabeth that could be found, the marriage of Richard Parker in Bertie Co., NC, on Oct. 7, 1780 to Elizabeth King merited attention. The marriage bond was signed by Michael King and as shown above Elizabeth Parker named a son Michael Parker. Michael is not a common given name in Parker families. Elizabeth Parker's son Thomas B. Parker married Patsey Killpatrick on Sept. 23, 1823 in Halifax Co., NC, and a man named John King signed the marriage bond. John Hobson King married Elizabeth Parker

daughter of Joseph Parker (ca.1735-1803; father of Richard) of Bertie County, NC. Joseph Parker named in his will son Richard Parker and his son-in-law John Hobson King. Where did Jonathan Hobson Parker get his middle name? Mary, daughter of John Hobson 4/ and his wife Sarah married a Michael King. Francis Hobson left a will dated 1764 and probated Bertie County in 1766 in which he mentions Mary King (his niece). Michael King and wife Mary Hobson had a daughter Elizabeth King who married Richard Parker son of Joseph Parker who in his will 5/ dated March 15, 1798 and probated February Term of Court 1803, Bertie Co., NC, mentions his son Richard Parker and Richard's wife Elizabeth and also mentions Joseph Parker's daughter Elizabeth and son-in-law John Hobson King.

Both Thomas B. Parker and Jonathan Hobson Parker, sons of Richard Parker and Elizabeth named above, named a son Richard. Elizabeth Parker in her will (Halifax Co., NC, Will Book 4, page 186) dated Dec. 7, 1830, named six living children with Jonathan (born Feb. 14, 1792) named last as a son. Joseph Parker in his will dated March 15, 1798 indicated his daughter-in-law Elizabeth, a widow of son Richard, had eight children.

Jonathan Hobson Parker named his first son Dempsey Burgess Parker after the maternal grandfather Dempsey Burgess, and named his second son Richard Allen Williams Parker apparently for his father Richard Parker and for the Allen Williams who witnessed the will of Joseph Parker (father of Richard).

Both Richard Parker and Joseph Parker of Bertie County, NC, are shown in the *State Census of North Carolina*, 1784-1787: 6/

Richard Parker:

- 1 white male 21-60 years
- 3 white males under 21 and above 60 years
- 3 white females all ages
- 2 Blacks 12-50 years
- 2 Blacks under 12 and above 50

Joseph Parker:

- 1 white male 21-60 years
- 4 white males under 21 and above 60 years
- 3 white females all ages
- 8 Blacks 12-50 years
- 5 Blacks under 12 and above 50

Richard Parker is shown in the Bertie Co., NC, 1790 census:

- 1 Free white males of 16 years and upward, including heads of families
- 4 Free white males under 16 years
- 2 Free white females, including heads of families

A second listing for a Richard Parker is shown on the same page of Bertie Co., NC, as 1-0-2-0-6, and may be the Richard Parker who was named in the will of James Parker dated Sept. 23, 1760. James Parker was the father of Joseph Parker whose will is recorded Bertie County February Term of court 1803. There are three Isaac Parkers, three Joseph Parkers, and two Richard Parkers all shown on page 14.

James Roberts & wife Cyrilla to James Parker, May 12, 1727 for 60 pounds for 170 acres on Buck Swamp, adj. John Griffet and Roquis Swamp. Nov. Court 1729 (McSwain, page 248, who cited Colonial Bertie, by Bell, Volume 1, page 95).

James Parker of Buck Swamp is mentioned in *Colony of North Carolina 1735-1764 Abstracts of Land Patents*, Volume One, by Margaret M. Hofmann, 1982, The Roanoke News Company, Weldon, NC, page 195: "2784 pg. 209 Robert Howell 6 April 1745 100 acres in Bertie County on the S. side of Buck Swamp, joining the sd. swamp, James Parker, Francis Hobson, and sd. Howell."

Bradley, Jr., page 62: Deed Book M 607 (576) Henry Rhoads of Bertie Co. to Henry Rhoades, Jr. of same. 7 Mar 1783. 5 Pounds specie. 150 acres which had been a deed to John Gray who conveyed it to James Parker & who conveyed it to John Kittrell who conveyed it to Jonathan Kittrell & from him to Michael King & from him to Henry Rhoads, Sr., at Buck Swamp, joining Poplar Branch, William King, Broad Branch. Wit: Michael King, Richard Parker, Charles King May Ct. 1783. Stevens Gray CC

Miss Frances Elizabeth Parker, Ms. Eunice Temple Kirkpatrick, and Ms. Eleanor Davis McSwain have all written books on North Carolina Parkers and all mention James Parker, wife Sarah. Miss Parker in 1971, and Ms. Kirkpatrick in 1980, show James Parker, wife Sarah, as a son of Thomas Parker (signed will Jan. 23, 1717 and probated October Term of Court 1717; SS, N. C. Wills, 1663-1789, Volume 28, page 60; NCSA) and second wife Jean/Jane since "Jean conveyed land to son James Parker, wife Sarah." Ms. McSwain in 1980 does not show James Parker, wife Sarah, as a son of Thomas Parker named above and goes on to explain why others were mislead by Hathaway who mistakenly read "Jno." as "Jas." in the deed signed by Jean/Jane Parker mentioned above.

Many references to James appear in *Bertie County, North Carolina Court Minutes*, by Weynette Parks Haun, 1976; Church of Latter Day Saints No. 9756163 Pzh, 1724-1739, Book I through Book VI.

The earliest reference to James Parker (c.1692-1760) found shows him as a land owner prior to July 15, 1717: Patent Book No. 10 (Cavaliers and Pioneers; Abstracts of Virginia Land

Patents and Grants, Abstracted by Nell Marion Nugent, Volume III, page 193): "Richard Conquest, 183 acres (N.L.) Upper Parish of Nansemond County, Virginia.; adjoining Jos. Cutchins; Edward Cobb; Lewis Daughtry; James Parker; & John Sanders; on the County Line; 15 July 1717, page 329, 20 Shillings."

In *Colony of North America 1735-1764, Abstracts of Land patents*, Volume One by Margaret M. Hofmann, 1982, The Roanoke News Company, Weldon, NC, the index shows George Parker 5347, 6059; James Parker 2784; Joseph Parker 2370, 2452, 2513, 5932, 6697, 6822; Reubin Parker 1043; and Thomas Parker 2846, 2847, 5895, 6613. Several of these references concern descendants of James Parker (c1692-1760) of Bertie County.

Second Generation

2. **James Parker**; born ca. 1714; date of death unknown; believed to have owned land in Dobbs County, NC, or its successor Lenoir County; see references to James under brother George (4. herein); sold 350 acres of land in Bertie County Oct. 6, 1736 (Deed Book E, page 44); married **Judy** _____ (living Sept. 23, 1760) and had children as evidenced in the will of their grandfather James Parker shown above.

James Parker, Jun. sold John Barnes 350 acres on N S. Cashy Swamp Oct. 6, 1736 stating the land was "part of a patent to James Parker, Sen. (Bertie County, North Carolina Deed Book E, page 44)." This is the only time found where JAMES PARKER, JR. is shown in a land transfer in the Bertie County land records.

- 3. **Richard Parker**; legatee in his father James' will dated Sept. 23, 1760; is possibly the older Richard Parker shown in the Bertie County, 1790 census, page 14, as 1-0-2-0-6. There is no will or estate settlement for Richard Parker in Bertie County and it is not known when or where he died. Since there are apparently no entries for him in Bertie County deeds he may have lived elsewhere.
- 4. **George Parker**; born roughly ca. 1720; living Sept. 23, 1760; was given a Negro girl named Hagar in his father James' will dated Sept. 23, 1760. There appeared in the Dobbs County Poll Tax List for 1769: George Parker with sons William Parker and John Parker and Negro Hager. The poll was two whites and one Black which supposedly indicates one of the sons was not 16 years of age and taxable (*Abstracts of Wayne County, [NC] Wills, 1780-1868*, Volume I by Charlotte Carrere and Jeanne LeFrancois, 1986, page 109). There is no absolute proof that this is the right George Parker but it certainly seems so given the few George Parkers found during this period in North Carolina and the fact that he had a Negro named Hager. Children of George Parker identified in North Carolina tax records, probably among others:
 - 8. William; over 16 as of 1769; born ca. 1750?
 - 9. John; probably under 16 as of 1769; born ca. 1755?

George Parker as well as James Parker owned land in Dobbs County (formed 1758) on

the west side of Bear (Bare) Creek and in Johnston County (formed 1746) on the north side of Reedy Branch, North side of Stoney Creek. Dobbs County was formed 1758 from Johnston and discontinued in 1791. Wayne County was formed 1779 from Dobbs and Craven. Lenoir was formed 1791 from Dobbs when Dobbs was discontinued. The Green and Lenoir County Courthouses burned in 1876 and 1878 respectively. This severely limits what can be done in tracing descendants of George and James Parker.

Parkers shown in Dobbs County were:

1769 Tax List 1779 Tax List 1790 Census David Benjamin John, Senr.(*) Isaac John, Junr. George and sons Joseph William and John John James (3 Negroes) Lydia Meajah Sarah Simon

Simon Zenis

(*) This John Parker is possibly the John Parker who died Wayne County, NC 1795, will dated Jan. 17, 1795 and proved April Court, 1795 showing children Isaac, Samuel, deceased, John, Eliz Yelverton, Phereby, Mary, Martha, and Delilah.

Benjamin (IV, 3,,438), Isaac (III, 886; VI, 750,;913), John (III, 883), and Simon (III, 704) are names appearing in Bertie County Court Records.

George Parker on March 3, 1759 is mentioned as owning land that joined that of John Thompson on the north side of Reedy Branch on the north side of Stoney Creek in Johnston County (#5347, page 259).

George Parker on April 24, 1762 is mentioned as owning land that joined James Daniel in Dobbs County on the west side of Bare (Bear) Creek, "joining his own Land, Garnor or James Parker's line, and George Parker (#6059, page 48). Bear Creek is today in the northwest corner of Lenoir County. Land lying on Bear Creek on the west is now mostly in Wayne County which came into being in 1779 or 1780 from Dobbs and Craven. Dobbs County was formed in 1758 and discontinued in 1791 when Lenoir came into being. As previously mentioned the Lenoir court house burned in 1878.

George Parker on July 21, 1774 is mentioned as owning land joining John West in Dobbs County on the north side of Neuse River on Stoney Creek and Harrison's line (#5027, page 347).

The George Parker who received a grant of 300 acres Oct. 24, 1767 in Bladen County on the White Marsh is unidentified (#5884, page 85).

James Parker on Dec. 16, 1769 is mentioned as owning land joining Benjamin Skinner in

Dobbs County between Bear Creek and Walnut Creek, joining the fork of Popular Branch, the run of the South prong, William Flowers (a Point) near James Parker or Arthur Herring, and (a point) near Harrison's line (#2146, page 850. State of North Carolina Entries of Claims for lands within Dobbs County 1778-1790, by Murphy, 1984, shows many references to Reedy Branch, Stoney Creek, Bare or Bear Creek, and Neuse River, and Walnut Creek.

Who is the James Parker shown in *Johnston County, NC Land Warrants, Surveys, and Miscellaneous Land Papers* (Sec. of State Papers) 1737-1899, by Weynette Parks Haun, page 161, Johnston County SS-726 "James Parker 300 A; date of Warrant 27 Sept. 1756 on the head of Uzzells Mill run on Goose pond?" This may be when James Parker first moved to this area. Dobbs County was formed in 1758 from Johnston County.

References for George Parker and his brother? James Parker above are from *Colony of North Carolina 1735-1764 Abstracts of Land Patents*, Volume I and Volume II, by Margaret M. Hofmann, 1982, etc. The Roanoke News Company, Weldon, NC, Volume I, numbers 5347 (page 259), 6059 (page 48); Volume II, numbers 5027 (page 347), and 5884 (page 85). See also *Abstracts of Wayne County, [NC] Wills, 1780-1868*, Volume I by Charlotte Carrere and Jeanne LeFrancois, 1986, page 109 for the will of a John Parker dated Jan. 17, 1795 and proved April Court, 1795 (he may have been too old to have been the John son of William Parker shown in 1759 tax list but could have been a son of James Parker); and mention of David, Zenis, Micajah, James, and Simon Parker shown in the 1769 poll tax list above as well as John Sutton and William Powel, two surnames closely associated with the family of George Parker's father James who had two daughters - one married a man named Powell and one married a man named Sutton.

- 5. **Sarah Parker**; living 1760 and married to a Sutton; not traced, however one Thomas Sutton purchased a "Stock of beas" (hive of bees) for 11 Shillings and 4 pence at the estate sale Aug. 14, 1761 of James Parker, Sr., deceased. Thomas Sutton is shown in the 1790 census of Bertie County: 1-0-2-0-19. With 19 Blacks, one would assume his estate is probably extant. His record should be checked to see if his wife was named **Sarah** _____. It might be mentioned here that a daughter of Sarah's brother Joseph Parker also married a Sutton.
- 6. **Ann Parker**; living 1760 and married to a Powell; not traced, however Fred A. Olds, *An Abstract of North Carolina Wills*, shows for Gates County: "1788 **POWELL, JACOB**, Ann (wife), Kedar, James, Daniel, John, Robert, William, David, Rachel, Barsheba, Mary, Christian, and Elizabeth." The 1790 census of North Carolina shows this Ann Powell in Gates County as well as an Ann Powell in Hertford County and Anna Powell in Robeson County.
- 7. **Joseph Parker**; born ca. 1732, or earlier; apparently unmarried in 1756 when he sold land in Bertie Co., NC, without a wife co-signing; died Bertie Co., NC, will dated March 15, 1798 "weak in body" and proved February Term of Court 1803; married first or second and prior to Sept. 23, 1760, **Amelia King** (born ca. 1742; died Bertie County, 1816; she was the daughter of Henry King and his wife Elizabeth, widow of James Williams; persons named Clark witnessed Amelia's will recorded in Bertie County, NC, 1816, Will Book G, page 1). Children as named in

will of Joseph Parker dated March 15, 1798:

- + 10. Richard; born 17??; living 1794; died prior to March 14, 1798.
- + 11. Joseph; born Feb. 1, 1767; living March 15, 1798; estate sale dated Feb. 24, 1803.
- + 12. Elizabeth; born Feb. 17, 1770; living Feb. 1, 1805; married prior to March 15, 1798.
- + 13. Thomas; born Aug. 22, 1773; died 1807.
- + 14. Reuben; born North Carolina, Dec. 26, 1776; died January, 1850 "at the age of 73" [1850 North Carolina Mortality Schedule].
- + 15. James; born Feb. 13, 1778; died February, 1805; under 21 years of age on March 14, 1798.
- + 16. Sarah; born April 23, 1781; living April 16, 1816.
- + 17. Ann; born May 21, 1789?; youngest daughter; under 12 years of age on March 14, 1798; living April 16, 1816 and married.

King, 102 Bogue Court, Cary, NC 27511, has written in 1988, *A King Genealogy: Some Descendants of Michael King of Nansemond County, Virginia, 1667-1987* in which Amelia King wife of Joseph Parker is discussed at length showing her King ancestry for three generations. According to this account Amelia was the daughter of Henry King (born by ca. 1705; died Hertford County, NC, 1771; Justice of the Peace; Captain of Militia) who married ca. 1737, Elizabeth _____ (widow of James Williams). Amelia was the granddaughter of William King (died Nansemond County VA ca. 1725). William King was a son of Michael King (died 1700) the immigrant who patented land in the Upper Parish of Nansemond County VA, 1667 near present day Buckhorn, VA.

William King of Bertie County left a will (B, page 126) signed May 8, 1778 and probated Nov. Court, 1778 naming wife Elizabeth; to son Henry dwelling plantation after wife's death and land I purchased of James Parker lying between the broad branch and buck Swamp; son William; son Charles; son Michael; daughter Anne King; daughter Catherine King; daughter Mathew (should read Martha). Wife Elizabeth and son William King were executors. Signed in presence of Michael King.

Elizabeth Dwyer left a will signed Aug. 1, 1793 and proved Nov. Court, 1795 in which she mentions son William King; daughter Ann Speight; son Charles King; son Henry King (Executor); grandson Henry King Benton; daughter Martha Britt; daughter Catherine Arnold; with son-in-law Richard Arnold co-executor; proved by oaths of Joseph and Thomas Parker.

Joseph Parker's will was proved Bertie February Court, 1803, and Thomas Parker's will proved Bertie November Court, 1807.

Amelia Parker and Joseph Parker shown in the following deed in Gates County, North Carolina Deeds 1776-1792 by Marilyn Poe Laird, Vivian Poe Jackson, and Dorothy Martin Hunter, Volume I, Second Printing 1979, pages 88 and 89; and the index, An Index to Laird - Jackson's Gates Co., NC, Deeds 1776-1792, Volume I, indexed by Ann B. The Bertie Index For Courthouse Records of Bertie County, North Carolina, 1720-1875, Deeds, Land Divisions, Grants, Abstracts of Wills and Marriage Bonds, Compiled and Published by Edythe Smith Dunstan, 1966, give many references to Parkers.

Third Generation

- 10. **Richard Parker**; born ca. 175?; died ca. 1797 prior to March 14, 1798, probably in Edgecombe County because daughter Mary H. (Hobson?) is shown in the 1850 census as born in Edgecombe County; married Bertie County, NC, Oct. 7, 1780, Elizabeth King (born ca. 1759; died Halifax County, NC, last will dated Dec. 7, 1830 and recorded Halifax County, NC, May Term of Court 1840; daughter of Michael King and wife Mary Hobson [see comment below regarding surname]). Children numbered eight on March 15, 1798 when mentioned in their grandfather Parker's will; but only six were living and named in the will of their mother Elizabeth Parker on Dec. 7, 1830; order is not as shown in abstract of her will:
 - + 18. Thomas B.; born ca. 1782 and before Oct. 29, 1790; appears to be living 1830.
 - + 19. Mary H.; born 1784-85; living 1850.
 - + 20. Richard; born March 21, 1787; died Sept. 17, 1858.
 - + 21. Michael; born ca. 1789; living Dec. 7, 1830.
 - + 22. Jonathan Hobson; born Feb. 14, 1792; died Jan. 10, 1846.
 - + 23. Elizabeth; born 1795-96; living 1850.

"I suspect Michael King was father of Elizabeth Michael was living in Martin County, NC in 1800. He was listed on the census with David, Elizabeth, William C. and Robert King, Sr. and Jr." Mrs. Roye went on to say, "Edgecombe County records show that Michael King died in Edgecombe County, 1805 and his wife Mary died 1810. We do not have estate records of Edgecombe County for that period of time. William C. King, son of Michael was his executor. William C. King was called to court to answer to John Wiggins (possibly a son-in-law of Michael King) in estate settlement of Michael King. William C. King married Mary "Polly" Wiggins daughter of Robert A. Wiggins. He was a brother to Jesse B. Wiggins and John Wiggins. William C. King named a daughter Frances Hobson King."

"Elizabeth Parker and her son Thomas bought land in Halifax County in 1808 from Jesse B. Wiggins. Thomas bought 2/3 and Elizabeth bought 1/3. This was the land she later gave to her children in her will. They were living in Edgecombe County at that time."

Mrs. Alma Adcock of Wilmington, NC, gives Mary King (a minor in 1736; died Nov. 14, 1810 - Bible record), legatee of Francis Hobson in 1766, as a daughter of John Hobson and his wife Sarah. John Hobson and Sarah made a deed of gift of a Negro "Pomp" to daughter Mary Hobson and Pomp is later shown the property of Michael King and his wife Mary.

Annexed hereto is a small Hobson genealogy giving basis for the above statements. Mr. Henry Lee King has prepared an exhaustive King genealogy in manuscript form, a copy of which he has provided this compiler.

Michael King, the father of Elizabeth King who married in 1780 Richard Parker, is identified by Mr. Henry Lee King in his King genealogy pages 95-97 as a son of Charles King who died Chowan County, NC, 1762. Charles King was a Justice of Peace and Captain of the Militia. Charles King was a son of William King (died Nansemond County, VA, ca. 1725) and a grandson of Michael King the immigrant mentioned above.

An abstract of the will of Elizabeth Parker naming her six children is shown below:

"(207) ELIZABETH (X) PARKER (4/196) 7 Dec. 1830 May Ct. 1840 ... 'week of body...'

Daughter Elizabeth Butts - land where I now live containing 96 acres, adj. lands of JESSE DRAKE, JAMES LOCK, JR. and others. Halifax County, NC Deed Book 27, page 261.

Elizabeth Parker's daughter Elizabeth (Parker) Butts, wife of Eli Butts, is enumerated in the 1850 census of Edgecombe County, NC and gives her date and place of birth as 1795-96 in Edgecome County. In 1808 when Elizabeth purchased land in Halifax County, NC, she is shown as a resident of Edgecombe County.

Elizabeth Parker is apparently enumerated in the Halifax County, NC, 1810 census, page 153, in the household of Thomas B. Parker thus:

2 males born 1784-1794;

1 female born 1794-1800;

1 female born prior to 1766 (Elizabeth Parker).

In the 1820 census of Edgecombe Co., NC:

Richard Parker is shown on page 49;

Michel Parker is shown on page 52;

One "Elizabeth Parker" is shown on page 17 (which Elizabeth is this)?

Thos. B. Parker is shown on page 38 (new #161) of Halifax Co., NC, 1820 census thus: 1 male born 1810-1820 (Richard Parker born May, 1818, son of Thomas B. Parker); 1 male born 1775-1794 (Thomas B. Parker).

Halifax Co., NC, Deeds Volume 24, page 607; Thomas B. Parker and Betsey (also known as Elizabeth) his wife and Sally Suit, who was of lawful age by January, 1809, to Eli Butt of Halifax Co., NC "all their interest or lot" in 211 acres in Breeches Swamp. Witness Aquilla Morriss. This probably means that Thomas B. Parker's first wife was Elizabeth Suit. She apparently died after 1818 and Thomas B. Parker married (?) second, Halifax Co., NC, Sept. 23, 1823, Patsey Killpatrick or Kilpatrick, with John King as bondsman.

Halifax Co., NC, Deeds Volume 25, page 173; Elizabeth Parker and son Thomas Parker made deed to Jesse Drake; dated 1818.

Halifax Co., NC, Deeds Volume 27, page 261: Thomas B. Parker to Elizabeth Parker, both of Halifax County for \$250. acreage on south side of Jacket Swamp - Jesse Drake's corner - Benjamin Crowell line.

In the 1830 census one Elizabeth Parker is shown in Halifax Co., NC, page number 1619 as 50-60 years old (born 1770-1780). Is this an error by the census enumerator or did she understate her age as others have been known to do, or is this the wrong Elizabeth Parker? This Elizabeth Parker may be the widow of William Parker (daughter of Peter Smith who died in Halifax Co., NC, 1794 - see his will). The widow of William Parker received 1/3 of the estate of her husband William Parker, Sr. on March 1, 1815 in Halifax Co., NC (Will #863, page 560, dated Dec. 13, 1814 and recorded February Court 1815). William and Elizabeth Parker had children a) Polly wife of James Marshall, b) Judith Powell, c) William Parker, and d) James Parker, and e) David Parker who married Rebecca Powell and they had a son Richard Bishop Parker (Halifax Co., NC Deeds Volume 24, page 650). Richard Bishop Parker's inventory is recorded in Halifax Co., NC, June 15, 1870 with widow Sarah A. Parker and minor children Laura A. Parker, Emma M. Parker - the widow entered dissent to the will Jan. 23, 1869; executors qualified Jan. 23, 1869. 8/

The Hobson middle name of Jonathan Hobson Parker apparently came from his mother nee Elizabeth King who was, as previously stated, a daughter of Michael King and his wife Mary Hobson.

- 11. **Joseph Parker**; born Bertie Co., NC, Feb. 1, 1767; mentioned March 15, 1798 as second named son in the will of his father Joseph Parker; shown in Bertie County, NC, 1790 census, page 14 as single with six Blacks; shown as Joseph Parker, Jun., in Bertie County, 1800, born 1755-1774 with one daughter born 1790-1800 and wife born 1755-1774; living Bertie County, NC, 1800; married. One apparent child shown in 1800 census, page 68:
 - 24. A daughter; born 1790-1800.

Joseph Parker is the second son mentioned in his father's will. The first son mentioned was Richard who was obviously the oldest with eight children by the March 15, 1798 signing of the will. Joseph Parker was devised one Black boy named Jacob, one Black girl named Priss and her increase, sixteen silver dollars and some dining and kitchen ware - he received no land. Joseph Parker is not mentioned in his brother James' will dated Feb. 1, 1805, and he is not mentioned in his brother Thomas' will signed Sept. 16, 1807. He is not mentioned in his mother's will probated Bertie County in 1816, Wills Volume G, page 1.

Joseph Parker, Sen. is shown in Bertie County on the same page 68 as Joseph Parker, Jun. with males 01100 and females 00110. Something is wrong with the ages of the family of Joseph Parker, Sen.

Joseph Parker, born ca. 1761, does not appear in the 1810 census of Bertie County.

There is an estate settlement in 1803 at the North Carolina Archives for Bertie County for a "Joseph Parker, Jr." Presumably, this is for Joseph Parker shown above, however this has not been confirmed by an examination.

12. **Elizabeth Parker**; born Bertie Co., NC, Feb. 17, 1770; living Feb. 1, 1805 when she is mentioned in the will of her brother James Parker; married prior to March 15, 1798, **John Hobson King** who is identified as a son-in-law and Executor of Joseph Parker in his will dated March 15, 1798. John Hobson King got a land grant in Bertie County, NC, 1791, Book P, page 151; in 1794 he got two additional grants Book Q, page 182 and 184.

John King, identity unknown, is shown in Halifax County, NC census 50-60 years of age with one female 15-20 and one female 40-50 years of age.

- 13. **Thomas Parker**; born Bertie Co., NC, Aug. 22, 1773; living Bertie Co., NC, Sept. 16, 1807 when he wrote a will that was proved November Term of Court, 1807; married **Sarah** _____ (living Sept. 16, 1807). Child named in will:
 - 25. Mary; born 1790-1800; living Sept. 16, 1807.

An estate settlement for a "Mary Parker" in 1808 is to be found at the North Carolina Archives at Raleigh in Box CR010.504.76. This could be checked to see if it is for the daughter of Thomas Parker.

Thomas Parker's will recorded in Bertie County, North Carolina Will Book F pages 67-68 is as follows: "In the name of God amen I Thomas Parker of the state of North Carolina and County of Bertie being week in body but in perfect mind and memory do make and ordain this my last will and testament this 16th September 1807. Thomas Parker is shown in the 1800 census of Bertie County, NC page 70 born 1755-1774 with wife, born same, and daughter born 1790-1800. Thomas Parker is further identified as a son of Joseph Parker by mention in his will of Peter a Black who was given him in his father Joseph's will, and George a Black who was given him in the will of his brother James Parker who first gave George to his mother Amelia until her death and then to his brother Thomas Parker.

Another "Ruben Parker" is shown in the 1820 census of Gates County, NC, page 160, and as "Reubin Parker" in the 1830 census of Gates County, page 110. There also is a "Ruben Parker" who married (bond) Rowan County, NC, June 19, 1795, Ruth Rutledge and is shown in the 1800 census of Rowan County, NC.

Thomas Barnes King was the son of Sarah's sister Elizabeth and her husband John Hobson King. Thomas Clark King left a will dated June 20, 1827, in Bertie County, February Term Court 1828, naming wife Sally G. and children Joseph H., Elizabeth Ann, Emmaline, Thomas Washington, and Sarah.
- 17. **Ann Parker**; born Bertie Co., NC, May 21, 1789; "youngest daughter"; under 12 years of age on March 14, 1798; living Bertie County, NC, Feb. 1, 1805, single; married by April 16, 1816 to a **Mr. Sutton**.

Fourth Generation

 - + 30. Richard; born May, 1818.

Thomas B. Parker appears to have married second, Halifax Co., NC, Sept. 23, 1823, **Patsey Killpatrick**, with John King as Bondsman (John King was probably a kinsman).

Thomas Parker and wife Elizabeth signed a deed in 1818 with his mother Elizabeth Parker in Halifax Co., N. C., to Jesse Drake (Deeds Volume 25, page 173).

A man named Thomas Parker witnessed the will of James Parker which was proved November Court, 1805 in Halifax Co., NC. <u>9</u>/

Thomas B. Parker and Betsy his wife and Sally Suit (of lawful age by January, 1809) of Halifax County, NC, made a deed (Deeds Volume 24, page 607) to Eli Butt for "all their interest or lott" in 211 acres in Breeches Swamp; witness Aquilla Morris. Sarah "Sally" Suit probably was a sister of Betsy and sister-in-law of Thomas B. Parker.

- 19. **Mary H. Parker**; born 1784-85; living Halifax Co., NC, 1850 (Halifax Co., NC census abstract; married **Parson Bell** (born 1784-85; living 1850). Children as shown in the 1850 census:

Halifax Co., NC, Deeds Volume 24, page 617: Mary and Richard Parker of Edgecombe Co., NC, sold to Thomas Watson a 36 acre tract on the east side of Little Swamp, being one-sixth of the land formerly belonging to Mrs. Pherebee Turner and by heirship to Mary and Richard Parker. Richard Parker married Mary Turner.

Richard Parker probably is the Richard shown in the 1820 census of Edgecombe Co., NC, page 49 (Index to 1820 North Carolina Census Supplemented from Tax Lists and Other Sources) or page 127 of the 1820 census microfilm thusly:

1 male born 1810-1820;

1 male born 1775-1794 (Richard Parker);

1 female born 1810-1820;

1 female born 1775-1794.

And the Richard Parker shown in the 1830 census of Edgecombe Co., NC, page 312 thusly:

3 males born 1825-1830;

1 male born 1815-1820;

1 male born 1780-1790 (Richard Parker);

1 female born 1820-1825;

1 female born 1780-1790 (Mary [Turner] Parker).

21. **Michael Parker**; born 1790-1800; not definitely traced but appears to be the Michael Parker shown in the 1820 census of Edgecombe Co., NC, page 52 (*Index to 1820 North Carolina Census Supplemented from Tax Lists and Other Sources*) or page 130 of the 1820 census microfilm, and the Michael R. Parker shown in the 1830 census of Edgecombe Co., NC, page 314 thusly:

1 male born 1815-1820;

1 male born 1790-1800 (Michael R. Parker);

1 female born 1820-1825;

1 female born 1790-1800;

2 Blacks.

Michael Parker was not found in the 1840 census of Edgecombe Co., NC.

In *Tombstone and Census Records of Early Edgecombe* (County, N. C.) <u>10</u>/ is given information from the "Dr. James J. Philips Graveyard:

Sallie Ann Parker, daughter of Michael Parker and Margaret B. his wife, daughter of Frederick and Sally Philips, 1820-1827

Frederick Philips, May 2, 1772 - Oct. 1, 1837; wife, Sally Philips, 1777-1815

Eliza J. wife of John Parker daughter of Frederick and Sally Philips Jan. 21, 1804 - June 9, 1887 etc.

From the above it appears that the children of Michael R. Parker and wife Margaret B. Philips as of 1830 might have been:

- 43. A son born 1815-20; living 1830.
- 44. Sallie Ann; born 1820; died 1827.
- 45. A daughter; born 1820-1825; living 1830.

The 1850 census of Edgecome County, NC, could be checked to see if the family was living there at that time.

22. **Jonathan Hobson Parker**; born North Carolina, Feb. 14, 1792, died south of Salem, Liv. Co., KY, Jan. 10, 1846; married North Carolina, Oct. 22, 1812, **Dorothy Burgess** (born North

Carolina, Oct. 14, 1796, died Liv. Co., KY, Jan. 10, 1873). Children as listed in their family Bible, photostatic copy of which is in the possession of this compiler:

- + 46. Dempsey Burgess; born Oct. 27, 1813, died Dec. 29, 1898.
- + 47. Richard Allen Williams; born Dec. 26, 1815; died March 16 1845.
- + 48. William McChristy; born Jan. 14, 1820.
- + 49. Elizabeth Eleaner; born May 20, 1822; died May 23, 1849.
- + 50. James Burgess; born Jan. 11, 1825.
- + 51. Robert Hodge; born March 29, 1827.
- + 52. Mary Sylvester; born June 26, 1829; died May 2, 1902.
 - 53. Henry Clay; born Jan. 24, 1832; died May 24, 1847.
 - 54. Lueza Enfield; born April 23, 1834; died Aug. 23, 1844.
 - 55. Josiah Nellems; born Nov. 12, 1836; died March 6, 1847.

Jonathan Hobson Parker and Dorothy Burgess Parker are buried in the Ramage-Parker Cemetery located on the left side of Highway #1433 in the field before you get to the Dewey Loveless home (1957).

Jonathan Hobson Parker; born Feb. 14, 1792; died Jan. 10, 1846; was born in North Carolina according to his children who so indicated in the 1880 census. According to church minutes Jonathan was baptized 1820 at the Old Salem Baptist Church near Salem, KY. He married Oct. 22, 1812 in North Carolina, Dorothy Burgess (born North Carolina, Oct. 14, 1796; died Liv. Co., KY, Jan. 10, 1873). She was a daughter of Dempsey Burgess who was living in Halifax Co., NC, as shown in the 1810 census. Dempsey Burgess purchased land in Liv. Co., KY, Dec. 29, 1817 (Deeds Book C, page 323; recorded Jan. 9, 1818. Dempsey Burgess was a member of the Old Salem Baptist Church as early as 1818. Dempsey Burgess was the son of William Burgess of Halifax Co., NC. William Burgess died Halifax Co., NC and his will was probated 1785, naming Wife Penelope and children Bryant, Cullen, Milisha, Betsy, Mourning, Winnie, Dempsey, John, William, Sallie and Catherine. 11/

Jonathan Hobson Parker was in Halifax Co., NC, when he witnessed the will of Arthur Wiggins, dated April 8, 1812, and recorded in Halifax County.

As previously mentioned, deed records indicate Elizabeth Parker was probably a resident of Edgecombe County, NC in 1800; however, there was a widow Elizabeth Parker family shown in the 1800 Halifax County census which could be hers: Elizabeth Parker: 1 male 0-10.

In 1810 Jonathan Hobson Parker was 18 years of age and even through there were 13 Parker heads of Household shown in Halifax County, only one household shows a household member (other than the head of the household) who could be 18 years of age. This is the household of Thomas B. Parker (0-0-2-0-0 0-1-0-0-1) and one other male who were both in the 16 to 26 age category. It appears that the other male was Jonathan Hobson Parker.

Jonathan Hobson Parker named his first daughter Elizabeth Eleanor Parker. This would

seem to have no particular significance were it not for the fact that the girl's maternal grandmother was named Elender (Hardin) Burgess. It was a custom at that time to name the first daughter for her two grandmothers and a son for his two grandfathers.

Jonathan Hobson Parker and his descendants left a Bible record which shows "Richard Parker; born May, 1818 (son of Thomas and Elizabeth Parker) married Aug. 13, 1839 'his cousin' Elizabeth Eleanor Parker (born May 20, 1822; died May 23, 1849; daughter of Jonathan Hobson Parker and his wife Dorothy Burgess), and had four children all named in the Bible record and all dead by Aug. 11, 1849."

Jonathan Hobson Parker was reasonably well educated for someone born in 1792 as witness his Bible entries and the following consent in his hand for the marriage of Aaron Lacey Hibbs and Martha Abbington Jan. 25, 1835: "Princeton, Ky. Dear Sir. I Rec'd a few lines from you and feel at a loss to no what your wishes were from the way you wrote, if it is bareley my consent you want to marry Miss Abington I have no objection go ahead, and if you want a certificate that you may obtain a Licence you did not say so, so I am at a loss to no what to do as you did not ask for it. Thoe [though] I suppose that is is what you want as it is necessary therefore I will forme it below. Thoe I should like to be at the wedding if it was convenient." Signed: Jonathan H. Parker "Mr. James L. Dallam. Sir I have no objection to your ishuing licence for Miss Martha Abington to marry Mr. A. L. Hibbs."

Signed: J. H. Parker. [All of the above on same paper.] Consent: 23 Jan. 1835. "Sir This is to certify to you that Mr. Lacey Hibbs may obtain licence at your office to marry my daughter Martha." Signed: Sarah [Abbington] Adams/ Wot" George Adams & Dorinda C. Duley. [Mrs.Sarah Abbington, widow, married Liv. Co., KY, Jan. 20, 1835 George Adams]. 12/

There is no explanation as to why he was in Princeton when he signed the above consent - was he building a house for someone?

A thorough search for the Burgess and Parker families was made of the census records of Liv. Co., KY, for the years 1810 through 1880. No family of the Parker name appears in the 1810 census. Addendum September 13, 1994

Reference is made to *The Lees and Kings of Virginia and North Carolina 1636-1976*, by Reba Shropshire Wilson and Betty Shropshire Glover; published 1975, pages 118, 154, and 155.

In the above book it is stated on page 118 that "Amelia King married Joseph Parker, who was born in Bertie Co. and died there 18 Mar. 1798. Amelia died in 1800. Their children were:

Richard Parker, born June 10, 1750 William Parker, born March 31, 1752 Mary Parker, born 4 Jan. 1765 Joseph Parker, born 1 Feb. 1767 Elizabeth Parker, born 17 Feb. 1770 Thomas Parker, born 22 Aug. 1773 Reuben Parker, born 26 Dec. 1776 James Parker, born 13 Feb. 1778 Sarah Parker, born 23 Apr. 1781 Ann Parker, born 21 May 1789"

The above raises several questions some of which this writer has not been able to answer.

First, the statement by Mrs. Wilson and Mrs. Glover that Joseph Parker died 18 Mar. 1798 is probably not correct because Joseph signed his will March 15, 1798 and it was proved and recorded February Te~ of Court, 1803. Also the statement that Amelia died in 1800 is not correct because Amelia left a will that was signed April 16, 1816 and was proved and recorded August Term of Court, 1816.

The dates of birth of the children listed for Joseph and Amelia cover a span of 39 years. It is improbable that Amelia could have had children during a 39 year span. Amelia's parents were married in 1737 or 1738 and it would not be possible for Amelia to have had a son born June 10, 1750. Also, we know that Joseph and Amelia were married prior to Sept. 3, 1760 when both Joseph and Amelia are named as son and daughter-in-law in the will of James Parker. It would be strange that Joseph and Amelia, married prior to Sept.3, 1760, would not have a child until Jan. 4, 1765.

Joseph Parker in his will dated March 15, ~798 names eight children. He does not name William and Mary listed above by Mrs. Wilson and Mrs. Glover. If William and Mary were children, they probably were deceased and without heirs prior to the time Joseph Parker signed his will.

There are at least two possible explanations, one is that Richard Parker and William Parker (if William was a son) were sons of Joseph by a former marriage and, two that the dates

of June 10, 1750 and March 31, 1752 are incorrect by ten years. The reader can draw his or her own conclusion.

The only date that can be verified independently is that for Reuben Parker who died in 1850 and is shown in the U. S. Mortality Schedules for 1850 and his then age indicates he was born in 1776 or 1777. The only people able to solve this mystery are the ones who created it, namely Mrs. Glover, and Mrs. Wilson and unfortunately they do not seem to be interested in clearing up problem areas. The birth dates of Joseph, Elizabeth, Thomas, Reuben, James and Sarah appear plausible and these dates have been incorporated in the foregoing genealogy even though their original source is unknown.

The dates of June 10, 17S0 and March 31, 17S2 may be incorrect as we know the dates for death of Joseph and Amelia are. The other birth dates are probably correct.

Second, on the same page 118 it is stated that "Henry King, son of Henry, married Elizabeth Parker of Bertie County. Their three daughters were (a) Elizabeth, (b) Amelia and (c) Ann."

Henry Lee King of 102 Bogue Court, Cary, NC 27S11 in 1987 in his *A King Genealogy*; *Some Descendants of Michael King of Nansemond County, Virginia, 1667-1987*, published in 1987 indicates that Amelia King was the daughter of Henry King (born ca. 1720; died Hertford [now Gates] County, NC, Dec. 7, 1771) and his wife Elizabeth _____ Williams the widow of James Williams, whom Henry King married in 1737 or 1738. Henry Lee King goes on to write that Henry King (c.1720; 1771) was a son of William King who was in turn a son of Michael King the immigrant.

In conversations with both Mrs. Wilson and Mrs. Glover, Mrs. Wilson indicated that the record as shown by Henry Lee King was researched exhaustively and was probably correct. Mrs. Wilson indicated they were given the Parker data by a Mrs. J. B. Parker who lived in Windsor, NC in 1971 or 1972. This is Mrs. John Bond Parker, who lived in Windsor and died in 1983. John Bond Parker was the son of Henry King Parker (born Nov. IS, 18SS; died 1931, and grandson of William George Parker; see #29).

On page 154 and 155 of Mrs. Wilson and Mrs. Glover's book it is stated that Elizabeth Parker (#12; born "Feb. 17, 1770"; daughter of Joseph and Amelia Parker) married John Hobson King (born July 6, 1779- this date is incorrect). Elizabeth Parker and John Hobson King were married March 28, 1787- he obviously could not have been born July 6, 1779. It is stated by Mrs. Wilson and Mrs. Glover that John Hobson King was a son of William King and wife Amelia Slade. This is incorrect; John Hobson King was a son of Michael King and wife Mary Hobson; see will of Michael King. It is further stated that the children of Elizabeth Parker and John Hobson King were:

- i. James
- ★ Mary; married Worley King
- iii. John "Jack"

- iv. Nancy; married a Glover
- .v. Amelia; married a Lynch
- vi. Thomas
- vii. Alexander Augustus
- viii. Richard Rufus
- ix. Robert Remington; married Rebecca Bentley.

Mr. Henry Lee King writes that John Hobson King was in Robertson County, TN, in 1823.

On page 155 it is stated that Reuben Parker (#14), born "Dec. 26, 1776", son of Joseph and Amelia Parker) married Barbara King (born 1788; died 1876; daughter of William King and wife Amelia Slade) and had a son William George Parker, and that William George Parker had a son Henry King Parker. The marriage of Reuben and Barbara King is of record.

Also on page 155 it is stated that Sarah Parker married Thomas King (born March 29, 1795) .Joseph Parker and wife Amelia had a daughter Sarah G. "Sally" born "April 23, 1781" who married Thomas Clark King who left a will probated in Bertie Co., in 1818 [Amelie Parker's will indicates daughter Sarah married a King], but it is strange Thomas Clark King was born March 29, 1795, if he married a person born April 23, 1781 and 14 years older) .On page 155 it is stated that Thomas King was a son of William King and wife Amelia Slade) -this should be verified. It is stated that Thomas King and Sarah Parker had children - see will of Thomas King:

- i. Joseph H.; born 1815
- ii. Elizabeth Ann; born 1817
- iii. Ernmaline; born 1818; see below
- iv. Thomas Washington; born-l~ married Margaret Peele; no children
- v. Sarah; born 1823.

"Ernmaline King, born 1818, daughter of ThoItas King and wife Sarah Parker, married William George Parker (son of Reuben Parker and wife Barbara King; see above) in 1850 in Mississippi [and returned to Bertie Co., NC] and their children were [the family was living in Bertie Co., NC in 1860]:

- i. John Stark Ravencroft Parker; born 1851.
- ii. Samuel Johnston Parker: born 1853: died 1854.
- iii. Henry King Parker; born 1855; died 1931.
- iv. Ann; born 1859.
- v. William; born 1861; died 1926."

The problem with the above data is lack of documentation which makes it difficult to check to see just what is wrong. In most instances there is no indication of where the data was found.

I If we take from the above what is believed to be correct we have the following annotations:

- 12. **Elizabeth Parker**; married **John Hobson King**. Children as given by Mrs. Wilson and Mrs. Glover or by Mrs. J. B. Parker:
